Pentecost; The Forgotten Festival

Even in our more secular age most people, if asked, what Christmas or Easter was about would be able to give some explanation, however vague.

Ask what festival Pentecost is and even some regular church goes struggle to give an answer!

The festival of Pentecost became known in this country as Whitsunday, Ah you say, "that is more familiar," perhaps bringing to mind Whit Sunday School walks and Whit Monday picnics. Now of course distant memories.

Pentecost was a Jewish festival which came fifty days after Passover. It became important for Christians as the day the Holy Spirit came to the disciples of Jesus. Many call it the Birthday of the Church. Pentecost is followed the next Sunday by 'Trinity Sunday'; more confusion perhaps?

People say to me, "God the Father, I understand, Jesus I understand but the Holy Spirit, no I don't understand at all! The truth is that the Holy Spirit doesn't need to be understood but experienced.

Jesus told his disciples in John's Gospel that when He had ascended back to heaven he would send another helper who would, though unseen, be like having Jesus with them to help them understand and to guide them in their life of faith. Sounds great, doesn't it, so why all the mystery?

(John 14:15-17)

Well, the truth is the Holy Spirit is not tame! If we ask him to be active in our lives he will challenge us to change and lead us out of our comfort zone to where we might not want to go, just like he did the disciples! So let's put him in a box where he is safe; as if we could.

So, it is not surprising, that we make light of Pentecost, it makes us feel more in control. Sadly that is a delusion. Things happen, far better to walk with the Holy Spirit and experience a life that has hope and a purpose.

Jesus said If we ask our heavenly Father, who wants to give us only good things, for the Holy Spirit in our lives He will give it. Will you ask?

Please join us for our United Benefice Service, at Leathley on the 9th of June. See the notice in this Magazine.

Yours in Jesus, Stewart Hartley

New Position

The Washburn Valley and Mid Wharfe Churches magazine is shortly to lose its Editor. This means we need a new one and although we have advertised in the magazine and tried to spread the net, there have been no takers as yet.

The magazine reaches around 500 homes mostly throughout the Washburn valley area, and is a useful guide to what goes on locally.

The Magazine Committee wondered if it would be possible to circulate the membership of the Washburn Heritage Centre to see if there is someone 'out

there' who would like to take on the position of Editorship.

The present Editor is Mike Sant and he would be willing to guide any applicant through the process of editorship.

There is a modest honorarium and the Magazine Committee have agreed to purchase the Software to assist. At present it is Microsoft Publisher.

Would the WHC management be in approval of an approach to the membership in the hopes of filling this role?

Note from the Editor...

It is time for me to move on.

I have been very grateful for the opportunity to express my creativity in a format similar to a previous job, and have enjoyed being a part of the evolution of the magazine over the last 3+ yrs.

I'm now 40 issues in and I'm still enjoying it however, my situation has changed recently against my wishes and like many others I'm forced to change my circumstances.

It will mean my time and energy will need to shift elsewhere and focus on the next stage of life. Sadly that means that I can no longer continue as editor.

The position is very satisfying, you work with a great team and you get to make something fresh and exciting and there's the importance of community and helping others too.

Typical responsibilities of the job include:

- Liaising with contributors via email

- Selecting articles for issues and planning publication content and layout
- Working with relevant content from external sources
- Rewriting, editing, proofreading to ensure it is ready to go to press
- Attending annual meetings to discuss progress.
- Ensuring that all feature articles comply with ethical codes of practice and legal guidelines and are relevant to the magazines audience.

If you feel you fancy the challenge I'd be more than happy to help even if your skills are limited.

Please contact the Parish Administrator Hazel Pullan on 01943 466098 benefice.wmwchurches@yahoo.co.uk about the position.

Re-Joining the Choir: Why people are the helpers, not priests, of creation

Urbanisation has taken us away from the rest of creation, often reducing it in our eyes to a resource that we draw on when we feel like it, or need it.

But Jesus said the stones would start praising Him if people didn't (19:40), and in the Psalms and Job, all of creation is praising God. There is no hint here that people are needed to enable creation's praise to happen.

The singing is metaphorical, but it draws attention to fact that all creatures praise God by being themselves. They don't only praise with their 'voices', but with everything else they do as well: eating, running, hopping, grooming, reproducing, and so on (which is a reminder to us that our whole lives can be an act of praise to God).

Our isolation from the whole world and our needs. In God-centred and exalted' (Psalm of creation for God linked to its value to God it, He cares for it,

Genesis 1:28 says over the fish in the the sky and over creature that moves

rule wisely we need to get hold of the fact that, although we have a special responsibility, we are creatures alongside all the other creatures. One way to ground ourselves in this idea is to re-join the choir and worship God together with every other living and non-living thing on earth.

Rather than being needed to help creation praise God, we can actually rely on it to help *us* in our worship. Sharing God's delight in creation, we can learn to delight in God. In return, the best thing we can do is to let living things recover their full fruitfulness as much as possible so they can praise God fully. We are called to a life of humble service, taking care of each other and everything else on this planet. In this way, we can choose to see other creatures as they are, pointing our attention away from themselves towards God – until we are caught up in their praise of Him.

creation's praise sense that the revolves around us reality, creation is 'His name alone is 148:13). The value is not necessarily for us – it is of because He made and it praises Him.

Before

I saw the summer flowers on a bright and sunny day,
I heard the sound of birdsong as they fluttered on their way
I thought all this was science, only nature's rules at play –
And that was such a shame.

I saw the stars of winter shining in a velvet sky
I knew creation's wonders, but I never wondered 'why?'
I thought that life was just for now and will finish when I die;
Life had no point, no gain
Before I knew your name.

I had a lot of company, of friendship I'd no lack
(I always had the feeling that they wanted something back)
Of what I spent on parties I could struggle to keep track;
My life was just a game.

I made a lot of money – I knew every business trick
I could earn it easily – I could spend it just as quick
It should have made me happy but instead it made me sick.
I lived without an aim
Before I knew your name.

I thought that church was not for me, I didn't trust a word
I thought the things they said and did were really quite absurd!
I really thought I understood, but in fact I hadn't heard –
I just dismissed their claim.

And then one day a truer friend came in and sat by me,
And told me things of Jesus Christ with simple clarity
Their total faith in what it meant enabled me to see
That I was most to blame
Before I knew your name.

Before my birth you came to earth because you loved me so
My sin was why you had to die but still you chose to go
To Calvary to die for me despite my sin and woe
And then you rose again.
Your triumph saved me from the grave and now from sin I'm free,
I've raised my gaze from my old ways and now I really see!
To live for you is what I'll do and that eternally
And so, to live is gain
Because I know your name.

Resilience and faith in God

I have a great love for the Bible, especially the stories of men and women who lived their lives by faith. Not only did they display great trust in God, but also great resilience, often keeping going in the face of great adversity.

Nehemiah is such a person. His great achievement was to take a bunch of dispirited and down-hearted individuals and, in spite of much opposition and danger, motivate them to work together in a hostile environment to rebuild the walls of Jerusalem. This enormous task they achieved against the odds, and in a surprisingly short time – it took them only 52 days (Nehemiah 6:15)!

At the heart of Nehemiah's resilience was his faith in God. Even secular writers recognise the part that faith plays in building resilience. Nehemiah believed that the God of heaven was in control and His purposes were being worked out (Nehemiah 1:5). Since God had called him to the task, he would make sure that he could complete it. This kind of positive thinking is helpful when facing challenging circumstances. Nehemiah maintained a confident, hope-filled attitude even when things were against him.

Not only did this buoyant attitude keep Nehemiah going, it also motivated the people to persevere when at times they may have despaired and given up. Nehemiah persevered not because of his dogged determination, but because he was in touch with a source of strength outside himself. He had a deep, inner life with God that was expressed in prayer. Instinctively, he turned to God at every moment of fear, anxiety and need.

Be Careful of DIY Jobs

Every year it is the same: the sun comes out, and the ladders and power tools and enthusiasm for various home improvements follow close behind. Shortly afterwards, there are hundreds of falls and various injuries, as many a DIY adventurer spends the rest of the day down at A&E.

When it comes to being willing to launch into the great unknown, men win every time. They are far more likely to end up with injuries from power tools, lawnmowers and even just falling off ladders. Data for England shows that there were 4,764 admissions to NHS hospitals in 2017-8 from injuries from drills and other power tools. A further 6,372 people fell off ladders, while 519 lost a clash with their lawnmower.

It seems that we can't resist the temptation to try some DIY, after programmes like DIY SOS, Grand Designs and 60 Minute Makeover.

Bible Bite

A short story from the Bible

It can be read in the Bible in
Mt 2:1-12, Mk 9:1-8, Lk 5:17-26

The Pharisees had come to Jesus' home in Capernaum to make sure he wasn't breaking any of their religious rules...

So many came to hear Jesus speak that they filled his house...

and the streets outside.

Four men brought their paralysed friend to Jesus for healing

But the crowd wouldn't let them get close

so they climbed up to the roof and took off some tiles.

They lowered their friend down, right in front of Jesus

Jesus was so impressed by their faith, he said to the paralysed man

Your sins are forgiven.

The Pharisees were shocked!

Only God can forgive sins...so this fellow is insulting God!

But Jesus knew what they were thinking.

Why are you thinking such wrong thoughts?

Is it easier to say 'Your sins are forgiven' or 'Get up, take your mat, and walk'?

But I want you to know that I do have the authority to forgive sins...

Get up, take your mat and go home!

He got up, picked up his mat and walked home, praising God

The crowd was amazed...

We have never seen anything like this!

"May the *grace* of
the Lord **JESUS CHRIST**
and the *love* of **GOD**
and the fellowship of the
HOLY SPIRIT be with you."

Every so often we're reminded of all the people who quietly volunteer in so many ways and our visitors this month the 'Chevin Socialites' were perfect examples of selfless volunteering. Led by Lesley Noble this group of eight lovely ladies who are known as the 'Hug on a Tray' girls raise funds to provide all patients, and their visiting families and friends, with free TV, drinks and snacks on the three Haematology wards of the Bexley Wing at St James' Hospital in Leeds.

Lesley had discovered that the Bexley wing is leased to the NHS and consequently all patients and visitors have to pay for their drinks and snacks, and those patients who require a hospital stay have to pay to watch TV. She realised this could be quite costly and felt she had to try and help so she gathered together a group of friends and the result has been two years of continuous free cover for forty single rooms on the wards as well as for outpatients. They are not a registered charity and pay for it all by fundraising and donations. What a wonderful group of ladies they are !

Also this month we took a stall at the Buttercross in Otley to sell our home made cakes and despite the freezing weather we had a successful day. Next month we're looking forward to joining a tour of Norton Conyers near Ripon and in June we'll be providing drinks and cakes at the village hall during Askwith, Denton and Weston open gardens weekend.

We meet on the second Thursday of the month, 7.30pm, at Askwith Village Hall and our speaker on Thursday 13th June is Phil Foster from Leeds Bradford Airport who'll be talking about the growth of the airport over the past few years and future planned developments.

We have a lunch club, walking group, and theatre visits and we're a very friendly group of women. Visitors and new members are always welcome. So if you'd like to know more you can phone Andrea Ainley on 01943 462163 or Sue Appleyard on 01943 839292, or just come along to one of our meetings.

at the rally and had a lot of fun!

On the 24th April and 1st May we have all been getting prepared for the District and County

rallies at Farnley Estate Young Farmers. We have also played rounders at the sports field at Pool

for the last two weeks as well which has been a welcome break from lambing for some of us and

from the busy rally preparations.

On the 22nd April it was the dairy judging for the district rally at Houseman's farm. Thank you to

the judges for detailed explanations as to why they placed the cows in their order and the

Houseman's for hosting us and providing us some great cows to judge.

On the 27th April it was the Harrogate District rally at Moor Farm, Burton Leonard. We had a lot

of success. We came 1st in junior beef, junior lambs, intermediate lambs, intermediate breeding

sheep, junior and intermediate mystery judging, intermediate horse judging, every age group in

floral art, vintage tractor, junior malteasers, intermediate and senior tissue box, intermediate

sudoku, nail painting, open skipping, junior and intermediate woodwork, intermediate

photography, junior baking, intermediate fudge, senior shortbread, open billy band, girls long

distance, girls and boys relay, obstacle race, ladies tug of war, and junior air rifle. We also came

2nd and 3rd in lots of competitions but there are too many to mention. We won the overall young

stock judging, stock judging and the overall District rally. Thank you to all at Moor Farm and

everyone who went, helped, competed and supported.

On the 30th April it was Otley show judging at Wharfedale Auction Mart. Thank you to the

auction for hosting us and to our judges. We had some successes across the board from juniors

to seniors and won overall. James Driffield also won the combined overall award for beef and

sheep judging (on crutches) so well done.

On the 1st May we had to get creative as the weather was so wet and play indoor rounders at

Almscliffe Village Hall. We all had lots of fun!

On the 25th May it is the Yorkshire County rally at Thirsk Auction Mart. There will also be a dance

after so get your tickets if you want to go.

As always if you want to join and are aged 10 - 26 then please call Jacob Ryder on 07497

828065. Thank you.

A strenuous, fun and fast paced time and refreshments were well deserved.
